

## CHOCOLATE AND COFFEE DAY

FOR RELIGIOUS HARMONY

**People coming together to share chocolate and coffee in a spirit of acceptance of all people regardless of religious or cultural background.**

“Let’s talk about that over coffee,” is a common phrase in our society. It is something people do from all walks of life, all backgrounds, cultures and religions. It is a way that people connect, learn about each other and find common ground.

From the humble beginnings of [Chocolate and Coffee Day for Religious Harmony](#) comes an event to bring people together and help them to break down the barriers between them.

**Who:** Businesses or organisations who want to make a stand and promote harmony in their organisation and community.

**What:** A Chocolate and Coffee event draws people together with interactive activities that are focussed on seeing how through our diversity, we really are the same. The activities include and conclude with a chocolate and coffee morning/afternoon tea.

**Why:** Now more than ever, we need to unite with each other and take time to get to know people who may seem so different to us. When we take the time to enjoy a cuppa with them, barriers and differences fall away.

**When:** Book your session NOW!

**Where:** At your office of headquarters

**How:** Call Andrea today on 0418 543 727
